“ To my cousins, first let me tell you how very sorry I am for your loss. I must say Heaven must be having a party and a good time, just think of who all is there. Can't wait to see them all someday. I sure wish we were all younger again, I had so much fun staying all night fishing, playing cards and just having a great time with Larry. I don't know if you all know this, but when I got out of the Marine Corps Larry came to me and told me I should come to the officers meeting and ask to be reinstated. At the meeting he stood up and told them that I should be reinstated and only have to pay the cost of dues that were required the year I entered the Marine Corps. I have never forgot that, Larry and I use to have a great time together. And to my dearest Laura, I'm sorry I'm not there to hold you in this time of need, like I've always tried to due for you. I love you so much honey, and all of you are on my mind. Tell Crissy I love her and will have her on my mind also. Love you all and hope to see you soon, Your Cuz Scott

“ I would like to say it has been a long 8 months since we sent our Sweet Rosemary to be with her Family in Heaven. Now we are sending one more of us to join the fold. R.I.P LARRY. I will never forget Larry wanted to see Rosie in the Hospital and he came with his dear sweet Laura and now I am so sorry I never got to make that trip to see him when he was in the Hospital. My apologies to the Family. Love all of you. Uncle Mike Boswell

“ God I am gonna miss this man, Uncle Larry made me smile and laugh and he was literally right by my side during a hard time. He concerned himself more with my health then his own and he understood so much of what I was feeling. I loved our phone calls and when one of us didn't get one we would call the other just to make sure we were ok. I know people say they are in a better place now but I would rather have him here. I love you uncle Larry and there won't be a day that goes by I wish you were here with us..... Thanks for The Dance Honey, I love you
